Brief Report

A Lecture Meeting on “**Various aspects of safety in the factories of North Bengal**” was organized by The Institution of Engineers (I), North Bengal Local Centre, on **6th February ,2017** (Monday) at 3.00 p.m. at Engineers’ House., Jalpaiguri Govt. Engg. College Campus, P.o + Dist. Jalpaiguri-735102. At the beginning of the programme, welcome address was given by Er. Asim Mahapatra, Honorary Secretary, NBLC (IE). The theme speaker of the programme was **Er. Arup Goswami** , Assistant Director of Factories, Government of West Bengal.

Er. Arup Goswami delivering his presentation he speaks about the methods that should be followed by a worker to work at their workplace and take necessary protection against falling. He describes different types of accident occurred due to negligence of workers in their working place. He gives various ideas to the workers that they need to do to work at a height. He briefly describe about the possibilities of accident caused by no edge protection, floor opening , wall opening etc. He also narrate about active and passive type of fall protection systems, rope and cable grab, vertical and horizontal lifeline cable, full body harness, pendulum effect, safety net , different points regarding inspection of harness etc.

20 participants enjoyed the presentation and it was very interactive session. Finally, Er. N.C Sadhukhan, Member, North Bengal Local Centre (IE) proposed the vote of thanks.
